

TECHNICAL DATA SHEET

SIMCOE

EW7002KN

The Simcoe is an innovative product in the Betafit range due to its wearability across different sized wearers. It has flexible curved side arms that make the specs easy to fit smaller users, such as women, with a soft seal for the perfect fit.

The Simcoe sports adjustable sides to improve wearer comfort and maintains a secure fit.

KEY FEATURES

- Anti-fog and hard coated approved KN lens for optimal performance
- Adjustable and flexible side arms
- Soft seal inner gasket
- Exceptionally lightweight
