PRODUCT CODE:
BF6001

Product:

Created using unique formula slow recovery foam, the Model BF6001 earplug provides an excellent combination of comfort and protection, with the convenience of a cord.

Key Features:

- 6000 Foam Earplugs – our classic yellow disposable foam earplugs, packed in a dispensing box for greater convenience
- Dispenser box of 200 individually wrapped pairs
- Simple roll-to-fit application
- Dispensing box fits into HPHAPD wall dispenser for wall mounted dispensing

Safety Standards:

BS EN 352-2 is the European standard that specifies the requirements for hearing protection – specifically earplugs.

It covers:

- Design and construction requirements to ensure earplugs fit properly and are safe to use.
- Performance testing, including attenuation (how much noise they reduce) and durability.
- Marking and user information, ensuring products are correctly labelled with SNR/attenuation values and instructions for safe use.

Other variants:

BF6000
Ear plugs in paper bags.
200 pair dispenser

BF6008
Bulk refill of 500 pairs
